Checker Website USER INFORMATION GUIDE

www.checkerdist.com

This is the first page of the 'Using checkerdist.com' guide available on our website.

Our Philosophy: Independent businesses are our only customer. We will never compromise our vision and commitment of supporting, servicing and providing new ideas to independent businesses.

Checker is proud to announce version 3 of our website. While you review this documentation you will notice we have incorporated many of the requests that you have given to us. Every effort was made to make the site easier to search and more user-friendly.

Thank you for your business!

Logging into the site allows you to experience all of the features that have been blocked to consumer traffic. Login to make sure your preferences are used.
